

THE ASHOK LEYLAND SCHOOL

International Policy

- To enhance and foster a wide range of international experiences by giving first hand information to the students which will enhance their learning
- To raise awareness and celebrate the cultural diversity of the entire world
- To focus on 'big issues' of the world such as poverty, racism, religion, human rights etc
- To change students' perception, knowledge and understanding to become a citizen of the whole planet rather than of a single small village
- To foster a positive attitude towards people from other countries and cultures
- To observe the International Days
- To promote the use of ICT in meaningful contents for the development of communication skills
