TALS Inclusive practices 2023-24

The following are the list of inclusive practices that are followed in TALS

- 1. Demographic forms to have a holistic picture of the child
- 2. Identification of children who require support using a teacher checklist
- 3. Small group instructions are organised through a pull-out program for grades 1,2 and 3
- 4. Performance support classes are provided from Grades 4-12
- 5. One on one individual assistance is given to children with learning gaps
- 6. Yoga classes to enhance their coordination and attention span
- 7. Differentiated instruction
- 8. Individualized educational plans
- 9. Anecdotes
- 10. Ramps and exclusive washrooms to enable children with special needs
- 11. Modified Assessment worksheet eg increased font size

Small Group support classes

Exclusive yoga classes

To develop focus

To activate the right and left brain, promoting balance

Breathing and centering

namely:—(i) visual acuity not exceeding 6/18 or less than 20/60 upto 3/60 or up 10/200 (Snellen) in the better eye with best possible corrections; or ii) limitation the field of vision subtending an angle of less than 40 degree up to 10 degree (RPw 10/6).
